

26th August 2020

Dear Parent/Carer

I am writing to provide you with a brief update regarding the reopening of the Academy to students from 7th September. In light of the recent change in government guidance for schools, students and staff will be required to wear a face mask in the communal areas and corridors within the Academy.

We will be providing every student with a washable face mask that they must wear when moving around the Academy. Students will be expected to be responsible with their mask, keep it safe when not in use and for parents/carers to ensure that is cleaned on a regular basis.

We will be sending further communication home to parents over the next week which will include a letter confirming the reopening arrangements, our uniform policy, expectations and a helpful guide to support both students and parents/carers in their preparation for returning to the Academy.

We look forward to welcoming students back to Manchester Health Academy. Please feel free to contact the Academy from 1st September between 9.00am-3.00pm to discuss any queries you may have regarding your child returning to school.

Yours faithfully

Mr K Green
Principal

MANCHESTER
HEALTH ACADEMY
