

2nd April 2020

Dear Students, Parents and Carers,

Unfortunately, I am writing to confirm that Year 10 Work Experience will be cancelled this year, due to the current circumstances.

Although it is not currently known how long the Academy and business closures will continue, I realise that many businesses may not be in a position to support this initiative if they are trying to get back on track themselves. Moreover, it will not be possible for the relevant administration and health and safety checks to be undertaken in time.

I understand that this will be a great disappointment to the students who have arranged placements they were looking forward to. Unfortunately, we will not have an opportunity to move this to a later date due to the schooling time we will miss with students this year.

I encourage students to look at the Careers Information on the Academy website and to get in touch with our Careers Advisor, Lisa Hutchinson, via email should they need advice and support. Her address is careers@manchesterhealthacademy.org.uk

I hope that you and your family are all safe and well during this difficult time.

Yours faithfully,

Mrs Sarah Murdoch

Vice Principal, Culture and Ethos
