

**Coronavirus is the reason we have had lockdown.  
The new vaccine has finally arrived 😊**

**I am going back to school soon....  
At school, I will see my friends and teachers again!**

**I still need to make sure I wash my hands to help me to stay healthy.  
I will have hand sanitizer in all my classrooms.**

**Some things may look a little different. I need to remember to stay 2 meters apart.**

**My classes will look the same inside. Everyone will wear masks on the corridors and in the canteen.**

**It is ok if I want to ask questions, staff at school will be there to help me and to keep me safe.**
